THE POPULISTS

NOMINATE BRYAN AND WATSON.

They Turned Down Sewall And Bryan Refused to Accept a Nomination by Them That Did Not Include His Running Mate.

Their National Committee Granted Full Power to Make Any Sort of a Compromise.

The Populists held their National Convention at St. Louis the past week and after a four days session they closed their labors on Saturday. After much wrangling a resolution was passed through the convention reversing the usual order and nominating the candidate for Vice-President before the candidate for President. Thomas E. Watson was nominated by them for Vice-President. Senator Jones, Chairman of the

their ticket. This is the Democratic ticket and if they want to endorse it and further the interests of the Free Silver cause which the Democrats have taken in hand, well and good, we will be glad to have their votes, if not they must divide the Free Silver forces and lessen the chances of its success in November.

Before the close of the convention a resolution was passed giving to the National Populist Committee plenary powers—in fact all the power as, the wording of the resolution ran—of the convention itself to take any action they may deem necessary in reference to the nominations made by the convention. This means either a withdrawal of Watson or placing a new head to their ticket.

CHILES, THOMPSON GROCERY CO.

The Winchester fair begins to-day. We hope the management will not have to contend with the unpropitious weather that greeted the Sharpsburg fair.

Bob Case Released.

Bob Case, who was brought from Indian Territory to this county a couple of weeks since on the requisition of Gov. Bradley, had his examining trial the past week before acting Judge H. C. Howell, on the charge of forgery, and later before Judge Ed. C. O'Rear on a charge of horse stealing, and was discharged in both cases. In rendering his decision Judge O'Rear took occasion to speak his mind very plainly to the man who was before him and who was technically not guilty of the charge, but who had confessed himself guilty of so much else that was mean and vile that it would be difficult to measure the condemnation he deserved in the eyes of all honest men. The Judge did not mince words when he told the man before him how he stood a self confessed falsifier and one who had deliberately made an exchange of property to defraud and who unblushingly acknowledged he had deserted his wife and run off with another woman. If Case wears anything less than the hide of a rhinoceros over his conscience, he must have cringed under the scathing rebuke received at the hands of the Judge.

Death of Mrs. Julia Shore.

Mrs. Julia Shore died at the home of her mother, Mrs. Hall, in this city, Sunday morning at 12:20 o'clock, aged 37. Mrs. Shore had for sometime been a great but patient sufferer from consumption. All through her long illness she bore patiently the pains and weakness incident to the disease. She was a member of the Christian church of this city.

Mrs. Shore was the daughter of Mrs. Sallie Hall and has two brothers, Peter and J. M., of this city, and a sister to Mrs. Lou Thomas, of Georgia. The latter was in attendance on her sister during the latter part of her illness. The funeral takes place at the home at 3 p. m. this afternoon. Revs. W. T. Tibbs and B. W. Trimble will officiate.

The Sharpsburg Fair.

The rain the past week interfered with the attendance at the Sharpsburg fair to such an extent that Wednesday's program was not taken up till Thursday, and Thursday's program was dropped to Friday. The weather was so unpropitious that only on Thursday and Friday was an attempt made to carry out the program. It was no fault of the management, nor does it bespeak any lack of interest of the people in the fair that it was not more of a success. The weather was such that it simply made a successful meeting impossible.

Joel Foster, of this city, took the premium in the pair of horses sweepstakes for the best coach team. He also got certificate for best harness gelding 4 years old and over.

Condensed Testimony.

Gas. B. Hood, Broker and Manager of the Agent, Columbus, Ohio, testified that Dr. King's New Discovery has no equal as a cough remedy. J. B. Brown, Prop. St. James Hotel, St. Wayne, Ind., testified that he was cured of a cough of two years standing, caused by a gripple, by Dr. King's New Discovery. J. E. Merrill, Danville, Mass., says that he has used and recommended it and never known it to fail and would rather have it than any doctor, because it always cures. Mrs. Hemming, 222 E. 25th St., Chicago, Ill., always keeps it at hand and has no fear of croup, because it instantly relieves. Free trial bottles at W. S. Lloyd's drugstore.

Will Not Bolt.

Gen. Mat. Ransom, U. S. Minister to Mexico, said "though I have always been an advocate of the gold standard, I can not bolt the Democratic party on the silver question. Democracy is too dear to me." This is the sentiment of all true Democrats.

Miss Lillie Redmond will teach the Spencer public school the coming session, beginning next Monday. Miss Lillie is a graduate of the Public Graded School of this city, and the trustees of the Spencer School were indeed fortunate in securing her services.

Damages By Floods.

There was a very heavy fall of rain, if not a water spout, on Benson creek near Frankfort, Ky., Tuesday night last. The water rose so rapidly that nine persons lost their lives before they could get out of their houses. Many narrow escapes are recorded, and much damage to houses, railroad bridges, growing crops, etc., is reported.

From Colorado, Ohio, West Virginia and other states come reports of great property damage and much loss of life occasioned by heavy rain fall. Near Morrison, Col., about thirty persons lost their lives by reason of deluge of water from a Canon near that place.

Sure to Win.

The people recognize and appreciate real merit. That is why Hood's Sarsaparilla has the largest sales in the world. Merit in medicine means the power to cure. Hood's Sarsaparilla—absolutely, permanently cures. It is the One True Blood Purifier. Its superior merit is an established fact and merit wins.

Hood's Pills are easy to take, easy to operate. Cure indigestion, headache.

A Chance to Make Money.

I read how one of your subscribers made money selling dishwashers; I ordered one and my lady friends were charmed, as they hate dish washing. My brother and I commenced selling them, and have made \$1,700 after paying all expenses. We don't canvass any. Our sales are all made at home. People come and send for them. The Mound City Dish Washer is the best Dishwasher on the market. Our business is increasing, and we are going to keep right on, until we make ten thousand dollars. We sell from 5 to 15 machines every day, and some days more. The Dishwasher is lovely and every housekeeper wants one. There is no excuse to be poor when so much money can be made selling Dish Washers. For full particulars, address the Mound City Dish Washer, Co., St. Louis, Mo. They will start you on the road to success.
